

2024

VISIONARY LEADERSHIP AWARDS

Lifetime Membership Award

Terry Davis

Terry Davis, PhD, RN, NE-BC, CHTP, FAAN, is assistant vice president of nursing at High Reliability Center, Inova Health System, Falls Church, Virginia. Most recently, she was clinical operations director of enVision teleICU at Inova Health System, Falls Church, Virginia,

from 2004 to 2021, implementing and leading the teleICU.

In partnership with the Northern Virginia Hospital Alliance in 2009-2010, she implemented the Teledisaster Program in nine hospitals across Northern Virginia, and the program is now present in 16 hospitals. Her clinical specialties are trauma/neuro critical care and teleICU, and she has led research in the areas of technology acceptance, healing touch and caring science. Davis is also a certified healing touch practitioner.

Her extensive volunteer service with AACN includes being an AACN ambassador since 2017, a Beacon Award reviewer (2017-2018), TeleICU Task Force member (2017-2018; 2010-2013), a member of the NTI Program Planning Committee (2015-2016), and a member of the AACN Nominating Committee (2014-2015). Davis is currently serving a one-year term as AACN president. She previously served a one-year term as president-elect and a three-year term on the AACN board of directors (2018-2021). She held a one-year term as treasurer from 2020-2021.
