Senator Jerry Moran Ranking Member Committee on Veterans' Affairs United States Senate 412 Russell Senate Office Building Washington, DC 20510

Dear Chairman Tester and Ranking Member Moran:

On behalf of the 52 undersigned organizations representing the Nursing Community Coalition (NCC), we commend the Committee for including the United States Cadet Nurse Corps Service Recognition Act of 2021 (S.1220/H.R.2568) in tomorrow's hearing and urge you to support and pass this bipartisan bill before the end of this year. This bill recognizes the nurses who served as members of the U.S. Cadet Nurse Corps during World War II and provides them with honorable veteran status, a service medal, a burial plaque or grave marker, and other privileges. The NCC is a cross section of education, practice, research, and regulation within the nursing profession, representing Registered Nurses (RNs), Advanced Practice Registered Nurses (APRNs), nurse leaders, students, faculty, and researchers. Together, we support this vital legislation.

From 1943 to 1948, nearly 120,000 nurses answered the call by honorably caring for servicemen and women during World War II. These nurses helped shape the foundation of the profession and should be recognized for their invaluable service. The NCC commends the commitment and efforts to honor these heroic women. As we commemorate their legacy, it is imperative that this legislation is passed and the dedication of those who served in the U.S. Cadet Nurse Corps is acknowledged.

Again, the NCC appreciates the inclusion of S.1220/H.R.2568, the United States Cadet Nurse Corps Service Recognition Act of 2021 in tomorrow's hearing and we look forward to working with you to move it forward. If our organizations can be of any assistance, or if you have any questions, please contact the Nursing Community Coalition's Executive Director, Rachel Stevenson, at rstevenson@thenursingcommunity.org or at 202-463-6930, ext. 271.
